Pit-Lane

Break into a new world of sensations. Pit-lane will drive you and allow you to break all time records. This steering wheel and pedal set has been designed for those that wish to keep control and want to show who is the fastest. Take over the road and enjoy its touch, its sequential wing or lever gear stick accuracy and its pedal´s realistic touch. Feel the most realistic experience when the car goes out of the track or bumps into other vehicles with the vibrating function. Give in to the racing experience with all the necessary controls to be a number one on PC, PS2 and PS3.
